THIRTY-NINTH

EDITION

Editor-in-Chief—CARLENE RABEN . . . Assistant Editor—JOHN KIRBY . . . Business Managers—LaRAE WARREN and SHARON PRESTON . . . Faculty Advisor—LOUISE W. WICKLUND.

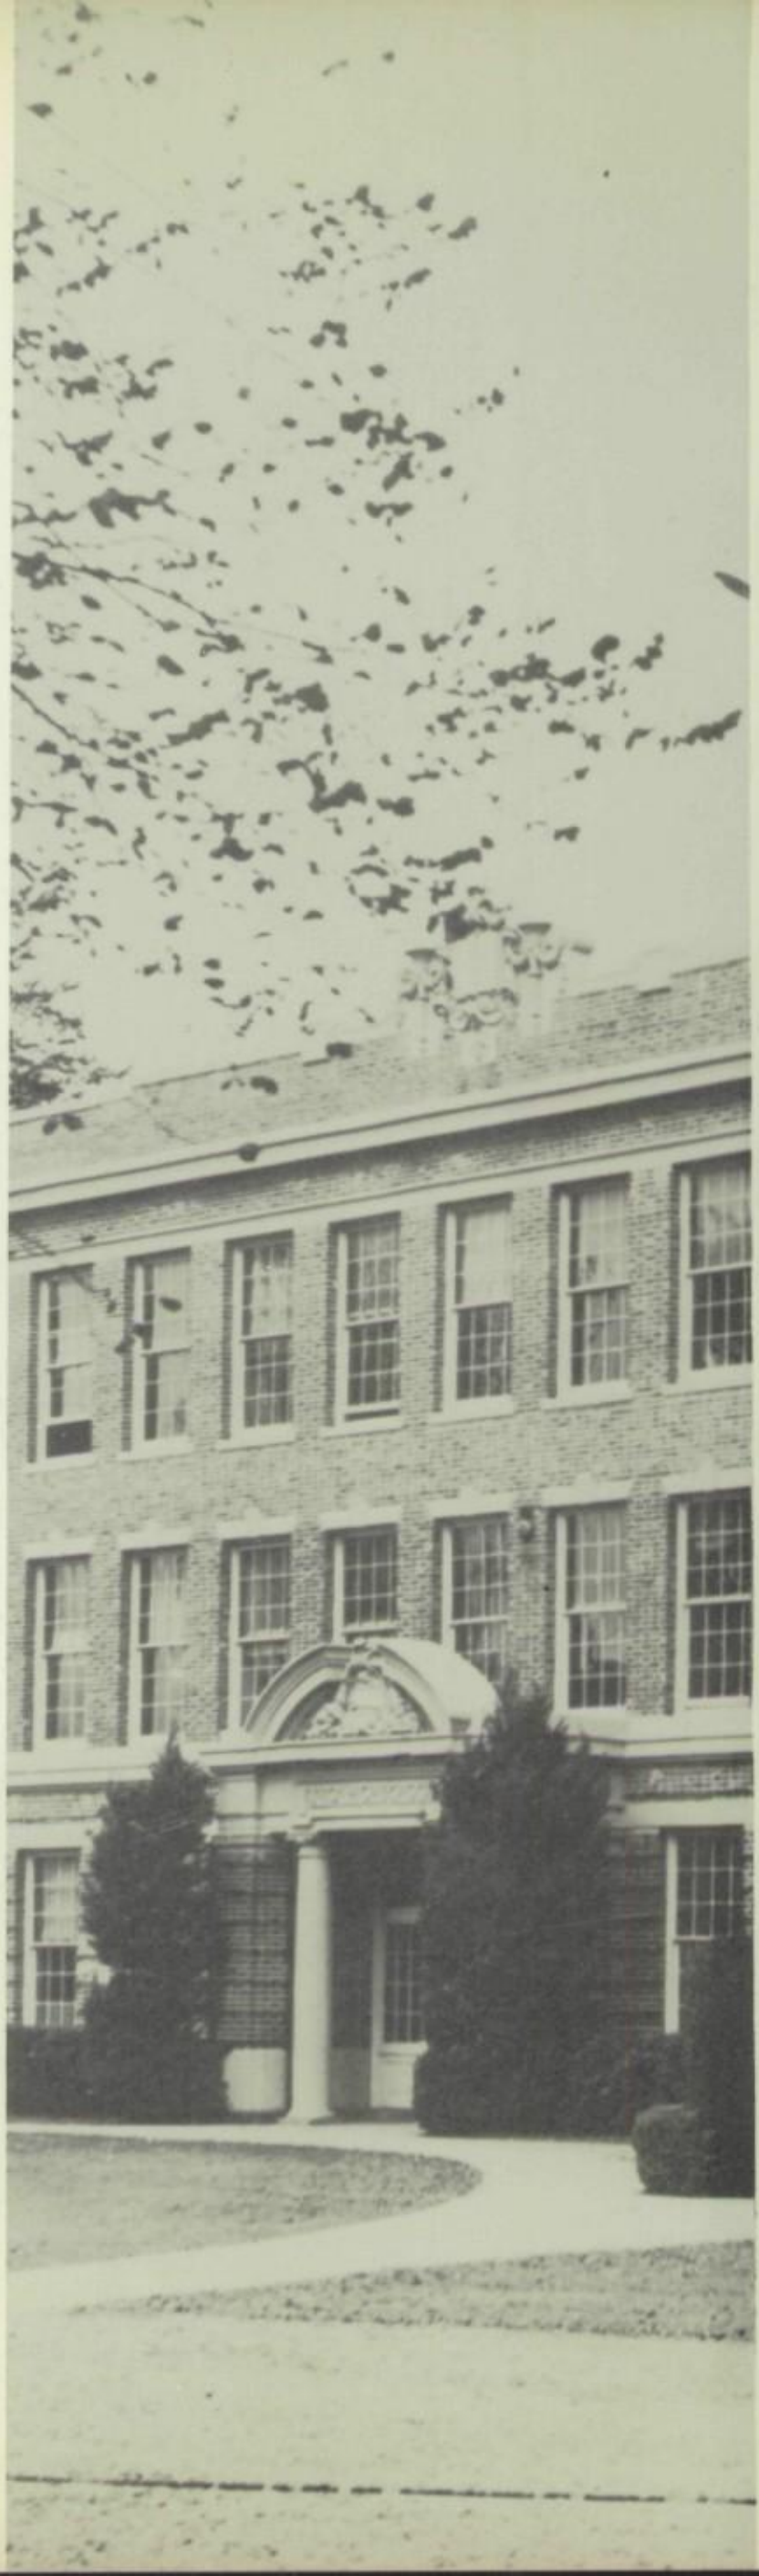
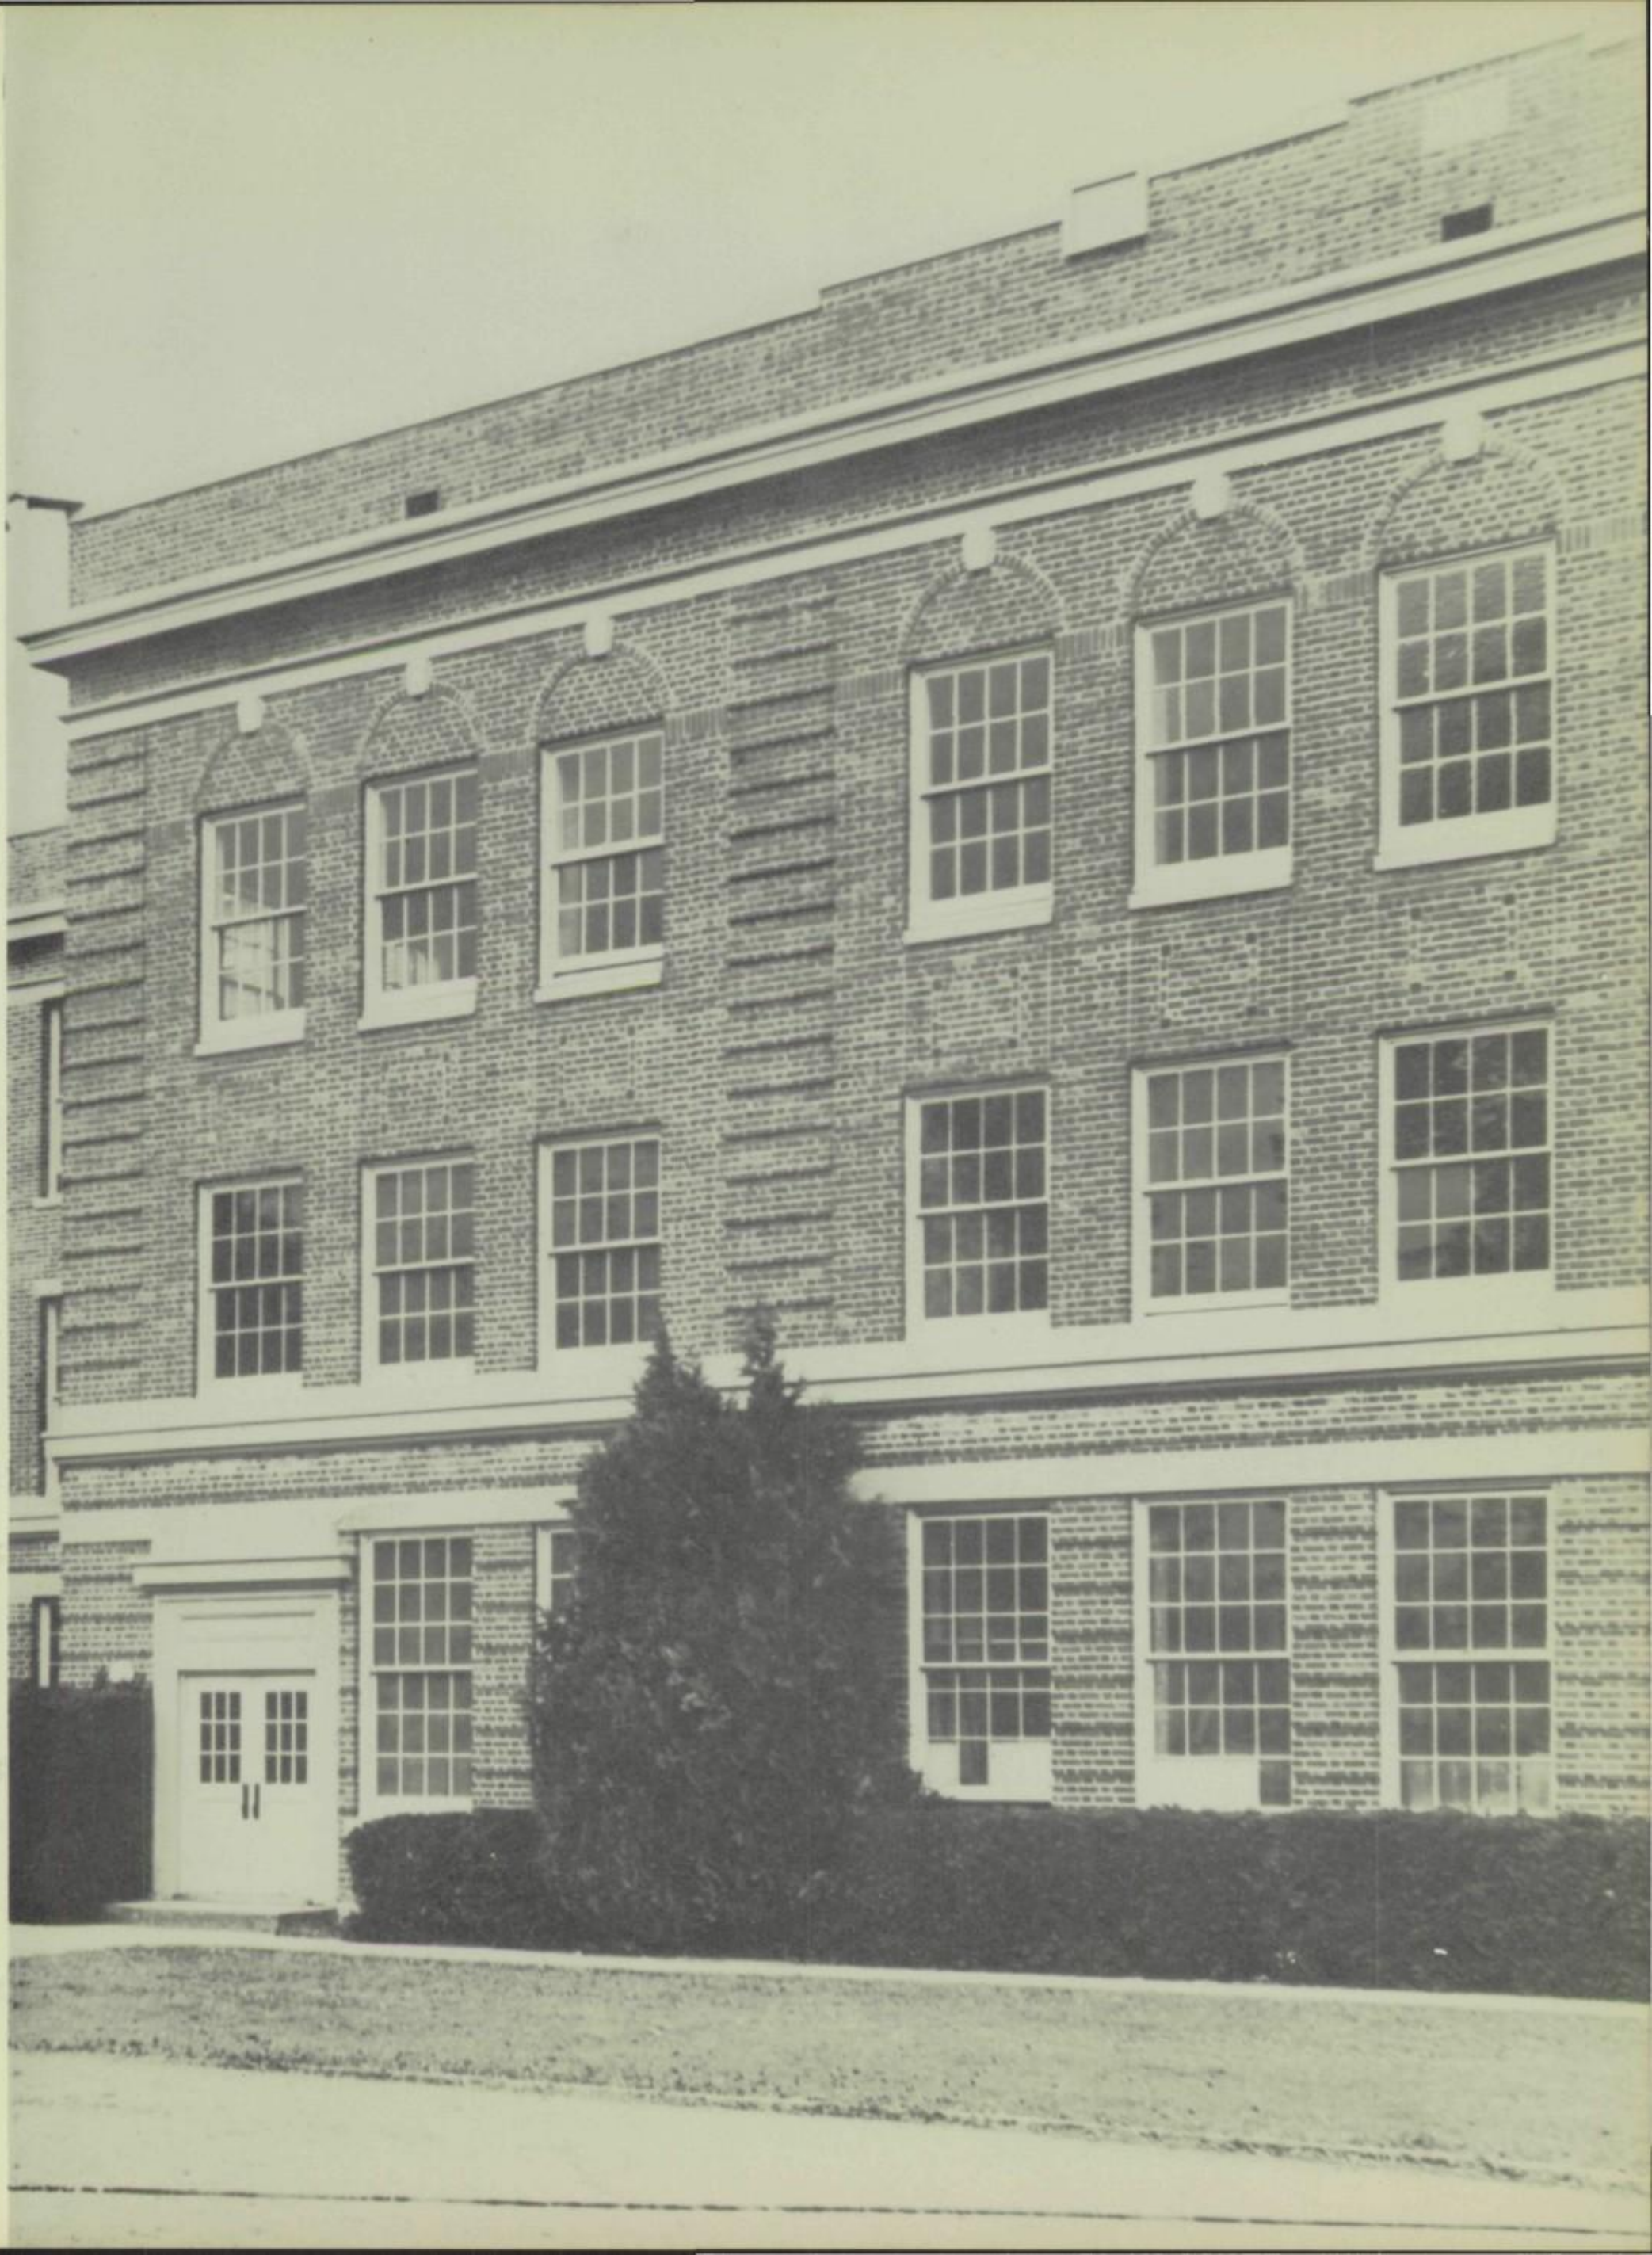
Foreword

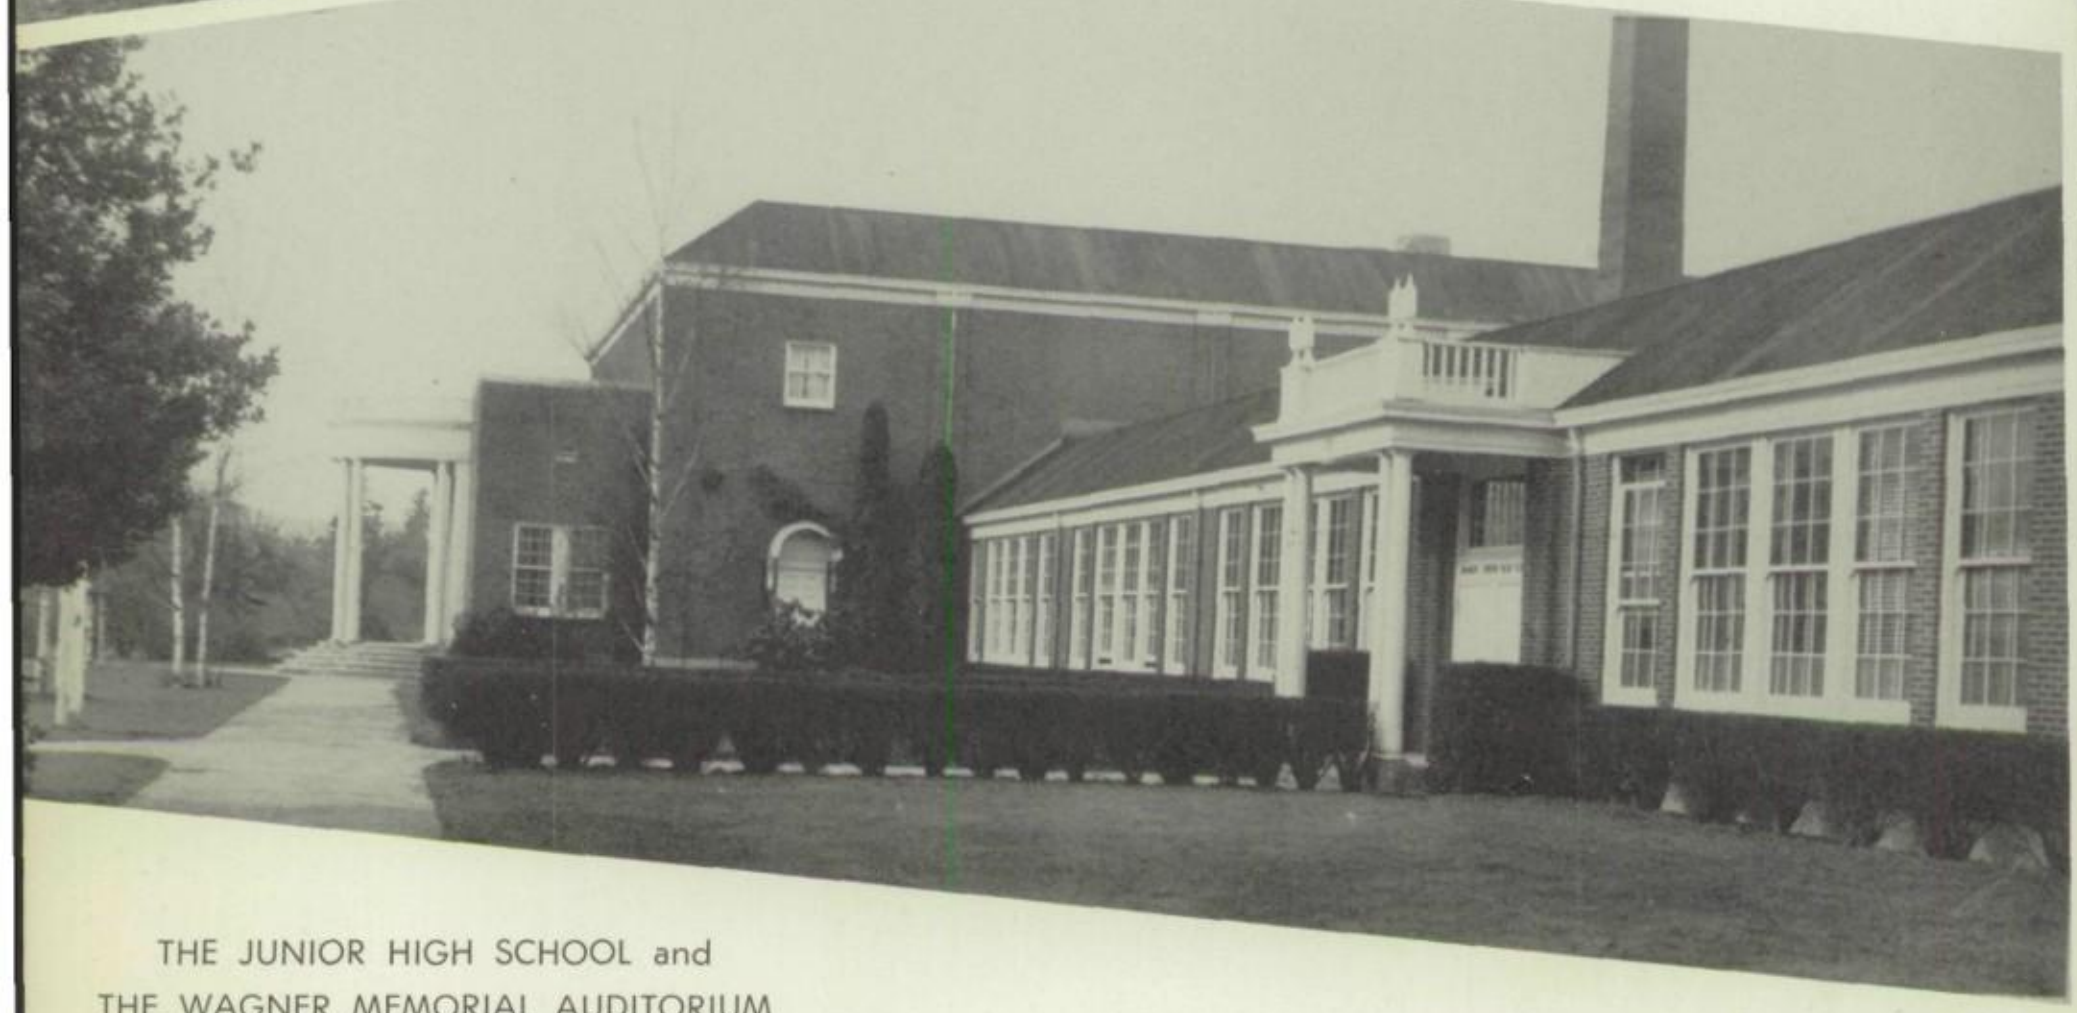
Student life is easy to portray if there is an active student body with which to do so. Monroe Senior High School and an active student body are definitely synonymous, if the busy year of 1951-1952 is illustrative of a typical school year. It is, of course, impossible to restore entirely a feeling, an emotion, a laugh, an experience; but it is quite possible for each student to relive a portion of school life through recollections and reminiscences. An incident, which seemed only amusing at the time it happened, may make one feel quite sentimental some years later while leafing through the high school annual. This, then, is the purpose of our efforts: to make possible the privilege of renewing and reliving some portion of your high school life again and again and to regain some enjoyment from its memories.

In this drama of Education, the students are the stars—waiting to be taught, eager to learn, participating cheerfully, and enjoying it so much. It is with extreme pride that the annual staff dedicates this 1952 edition of the HAYU SAGHALIE to the students of Monroe Senior High School.





THE NEW AGRICULTURE BUILDING



THE JUNIOR HIGH SCHOOL and
THE WAGNER MEMORIAL AUDITORIUM

Surrounded by spacious green lawn and trees, jeweled by flowers and shrubs, Monroe Junior High School stands—the mecca of some two hundred students. Holding a prominent place in the civic and entertainment life of the school and the community, Wagner Memorial Auditorium, a part of the junior high school plant, is well known locally for its beauty and excellent acoustics.

The New Agriculture Building, the ultra-modern combination of band room, wood shops, agriculture classrooms and machine shop, is built on the senior high school grounds. Not only does it supply the needs of the school population interested in the subjects prominent in the agricultural field, but it also boasts an interested, energetic group of veterans who take night classes and do shop work under the guidance of Mr. Nicholson, teacher of adult classes of this type.

ADMINISTRATION

Guiding our ventures, our progress,
Behind each attempt, each activity,
Making right puzzles and problems,
Our faculty — helping us live.

To: Monroe Class of 1952
From: Office of Superintendent of Schools
Subject: Annual Message
Reference: 1952 Hayu Saghalie

There has never been a time when business and industry offered such attractive wages to young men and women, but you preferred to stay in school. Have you ever tried to evaluate why you stayed in High School and worked and studied for the past four years? If I were to sum up in a single word the most significant reason why, that word would be "success." In order to become a success, you realized that you needed a good educational background.

You will discover later in life that personal success is like happiness; you gain it only by giving it. I do not know how any honest individual can prosper without adding prosperity and welfare to the entire community; nor do I know of any lawful activity that has ever achieved success without contributing to the success of others.

You have now succeeded to a small degree. The maturing of that success will definitely contribute to the prosperity of your community. May God speed you to your destiny of success with the realization that that destiny depends on you.

PRINCIPAL'S MESSAGE

You, our students, are making history!

Not all history is made on the field of battle. Much of it develops through the everyday battles of conquering ourselves. The history that you make will depend on the foundations that you laid on developing sincerity, industry, and character. It is our hope that the time spent and the knowledge gained here will contribute much to your future happiness and progress.

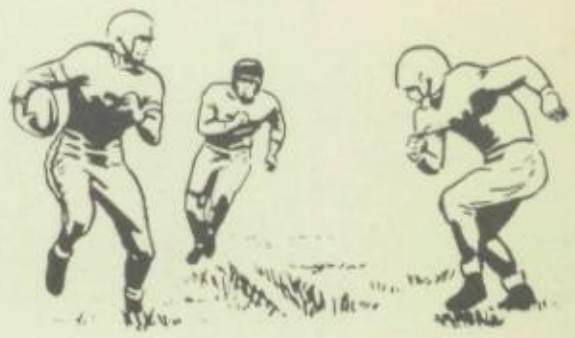
FOOTBALL MANAGERS—Left to right: Marvin Young, Frank Agostinelli, Ronnie Janke.



At the beginning of the "51" football season, things looked very bright for the Monroe eleven and Coach John Stahl. There were twelve lettermen on the field for another year who combined to form a good, solid, stout line and a fast, cagey backfield.

In Monroe's first engagement of the season, the BEARCATS trounced the Everett "B" to the score of 27—0. The home team then won the next four games, only to be torn to pieces by the fast and mighty Lake Stevens VIKINGS 40—6. During this game two of the Bearcat's speediest backs, Tom Sofie and Ron Earlywine, were injured and were not able to participate in football for the remainder of the season.

MONROE BEARCATS

First row, left to right: R. Agostinelli, R. Rainwater, P. Andrews, R. Roberts, J. Kirby, K. Olson, D. Rainwater, B. Rainwater, C. Webster.

Second row: Coach John Stahl, S. Hammerquist, Bob Boyden, L. Anderson, T. Reule, H. Harriman, N. Nicholson, B. Meeker, T. Sofie, R. Earlywine, F. Soth, B. Johnson, Assistant Coach Cole.

Third row: Manager M. Young, D. Rodgers, B. Parker, M. Sofie, D. Arrants, Manager F. Agostinelli, R. Flemming, V. Johnson, F. Gosser, G. Durr, Manager R. Janke.

After the waxing from the VIKINGS, the BEARCATS could not seem to get rolling once again. They lost two games out of the next four. The heartbreaker came, however, when Monroe, celebrating its Homecoming and playing host to its valley rival, the Sultan TURKS, was overwhelmed to the tune of 33–6.

Playing the last game of their high school careers were Don Rainwater, Bill Meeker, Tom Sofie, Ted Reule, Fred Soth, Gary Durr, Benny Johnson, and Kenny Olson. Outstanding among the defensive players of the 1951 season were Benny Johnson, Tom Sofie, Ted Reule, Nick Nicholson, Bill Meeker, and Ronnie Earlywine. On defense, the following boys were prominent: Fred Soth, Don Rainwater, Bob Rainwater, and Kenny Olson.

As the season came to an end, the team members and the coach voted for the two top players of the year. When votes were counted, Benny Johnson was elected Inspirational Player and Ted Reule, Honorary Team Captain.

After a hard-fought season, the Monroe BEARCATS emerged in fourth place in the Tri-County League. This placement was not as good as was hoped for, nor as high as that of the 1950 season, but it still proved that Monroe had plenty of good clean sportsmanship and a keen desire for competition. Coach Stahl was satisfied with the showing the boys made even though they were badly saddled with injuries. Players and coach look forward to a championship in '52.

STATE "B" CHAMPIONS of 1952

It was the Monroe "Bearcats" on top when the final whistle blew at the 1952 State "B" Tournament in Tacoma—the second time for a Bearcat team to reach State. Number 2 entry from the Northwest district, they literally breezed through, mowing down all opposition.

In the first game, Sequim was defeated, 48—44. Castle Rock was the next victim to fall with a score of 53—35. The "champs" went on to defeat Yelm, 47—29. Then came the final game in which the Bearcats met the powerful Eatonville five and defeated them by an uneven score of 51—31. Monroe fans were very proud of their team and coach when they were crowned the 1952 State Champions.

Monroe played 22 games from December to March, including 5 district tournament tilts. Of this number, they won 11 and lost 1 in league play which won for them co-championship honors with Oak Harbor. Coach John Stahl's "Bearcats" won 4 out of 5 district tournament games. Monroe entered the district tournament as a strong favorite. The first game was played with Skykomish, the Bearcats winning 62—50. In the second game, Lake Stevens dampened the hopes of the Orange and Black in a hard-fought over-time thriller, 41—39, but the "Iron-Men" from Snohomish County weren't to be denied. They fought back to defeat Concrete by a score of 54—49. They went on to beat Skykomish a second time, 40—34, then met Oak Harbor and defeated them 41—28 for third place in the District Tournament and the right to go to State.

At the end of the regular season, the Monroe Bearcats took time to elect an honorary captain and inspirational player before entering the State Tournament. This year the Orange and Black elected Bill Boyden, Honorary Captain, and Tom Sofie, Inspirational Player.

Under the able guidance of Coach John Stahl, the Bearcats have finished with an impressive record, long to be remembered by the student body and fans of Monroe.

Paralleling the successful "Bearcats," was the season of the "Bearkittens." The second team played 17 games, winning 14 and losing 3. These future varsity candidates promise to carry on the tradition established this year by the State Champions.

The Hi-Tye staff has been very busy this year, publishing a bi-weekly paper. The journalism class has been directed by a new Advisor this year, Mr. Moberg, who brought with him many new ideas that have helped in making the Monroe Hi-Tye a bigger and better one. The Editor and Assistant Editor have done a fine job in directing the publishing of our paper.

Along with the opening of school came the beginning of the annual staffs' work on the "Hayu Saghalie." The staff was chosen, and under the guidance of Miss Louise Wicklund, Advisor, plans and dummies were made and things quickly got under way. The staff was aided whole-heartedly by our Photographer, Mr. Morrison, who took pictures and more pictures. The most famous line, repeated over and over by the staff, "Meet the deadline!" was never forgotten for a minute. We hope the result will be worth our effort.

DOWNBEATS

MR. BENNETT

"Mr. Bennett, we are having a pep assembly at 3 o'clock. May the band play?" "The Drill Team is marching Friday night, Mr. Bennett. The band will play of course," are a few of the oft-repeated refrains and requests that bombard our long-suffering band director daily. The student body is very proud of its big band and its Pep Band—the best in the state is the avowed decision.

The peppy modern music, and the enthusiasm they bring and instill within the students have rounded out a most enjoyable evening of sports many a time.

The annual Spring Concert at the end of the school year featured a very ambitious program of such selections as "On the Trail" from Ferde Grofe's "Grand Canyon Suite" and the first movement of Schubert's "Unfinished Symphony," which demonstrated the band's ability admirably.

"The Future Farmers of America" or F.F.A., as it is commonly called, is the national organization of, by, and for the boys studying vocational agriculture in public secondary schools. Organized in November, 1928, it has served as a way for the boys to learn self-government.

The F.F.A. is an intra-curricular activity having its origin in a definite part of the school curriculum—vocational agriculture. Among other things, members learn through active participaion how to take part in public meetings, to speak in public, to buy and sell cooperatively, and to assume civic responsibility.

"The Future Farmers of America" exists today because of a cooperative spirit and a desire on the part of farm boys, fourteen to twenty-one years of age, to have a national organization of their own in which they may secure practical

business experience, act as their own instructors, and enjoy the fellowship of one another. It is an organized vocational education on a farm youth level. Improved agriculture, better local communities, a more satisfying farm home life, and more efficient farmer-citizens are emerging as a result of the boys' experience.

The chapter has been quite active this year, with several various projects being completed at different times. They started the year by entering their livestock in the Evergreen State Fair at Monroe. They received, for their excellent job in keeping the barns clean, the Good Housekeeping Cup; and also, they received the Good Sportsmanship Cup. Besides these honors, they were awarded numerous Grand Champion ribbons. All in all, they made an excellent showing and are continuing to do so.

"Mother Is A Freshman"

The very entertaining comedy, *"Mother is a Freshman"* was produced by the Senior class on November 30 under the direction of Miss Louise Wicklund. The play was packed with numerous hilarious events, including Bill Boyden's famous line, "Angel, come to my arms!" Professor Michaels and Abigail Fortitude hit it off quite smoothly, much to the dismay of Susan, the lost, bewildered and very dramatic daughter, whose mother was the "Freshman." Everyone had a chance to show his talent, and the play was enjoyed by all.

Homecoming Queen . . .

ANNA MAE MEEKER

November 9th brought with it the annual Homecoming event. Monroe Bearcats competed with Sultan in their yearly rivalry, which this year found Monroe on the short end of the score.

However, the Homecoming dance that followed lacked for no enthusiasm from a sportsmanlike crowd.

During the dance, Honorary Captain Ted Reule crowned the Homecoming Queen who with her three princesses enjoyed a brief but highly successful reign.

CHRISTMAS PARTY

In keeping with the enthusiams and joy of the season, the Christmas Party, given just before school was dismissed for the holidays, brought fun and merrymaking to everyone. Old Santa, bulging authentically in all the right places, saw to it that each high school cherub received a Christmas gift and did the honors in the crowning ceremonies for the happy King and Queen of Christmas Time.

ORIENTAL GARDEN

The Senior Ball, "Oriental Garden," followed a Chinese theme last year. With a multiple-colored roof of crepe paper and gay balloons overhead, dancers quickly moved into the mood.

Long will this Ball be remembered as we look over souvenir Oriental balloons and fans.

The decorations suggested a Chinese Spring Festival with gay lanterns, apple blossoms, quaint benches, and oriental murals.

COME TO THE MARDI GRAS

The Junior Prom was held on November 16th in the high school gymnasium. Varicolored paper streamers and bright clusters of small balloons, hanging from the ceiling, coupled with amusing murals, reflected the spirit of a fun-loving crowd.

The rhythmic music of Wally's Band further added to an evening of enjoyment.

Above: Lovely new formals and Mardi Gras smiles.

Left: Wally's Band in action.

Below: The Grand March was fun and began an evening of dancing and hilarity which will be long remembered.

J R - S R B A N Q U E T

In An Oriental Garden . . . Among the speakers of the evening, was LaVerne Roberts, Jr. class President, who presented the welcome speech to the Seniors.

The personality highlights of each member of the Senior class was then given by Marvin Young who made an amusing event of it.

After the ceremonies, everyone enjoyed a delicious Chinese menu.

Original, at the banquet, was the theme of the event. Oriental Garden presented a new and entirely different arrangement for the annual dinner. The walls were decorated with Chinese murals, and the waitresses looked quaint and almost authentic in their "coolie" costumes.
